Basic Computing Skills

Develop
OUR EXPERTISE - YOUR FUTURE

Aged 19+

Looking to improve your computer skills?

Gain a Qualification recognised by employers.

Do you live in Bedford?

Have you always wanted to learn how to use a computer but have never had the chance to?

Would you like to be able to send an email or look up information on the Internet?

Then why not join a beginners computer course every Wednesday morning for 4 weeks.

- Small group classes
- Informal setting
- Friendly staff
- Fun atmosphere

Gain an Award in Online Basics Computer Skills
